Composition:

Liquid Biomass Containing :

Seaweed Extracts,

Hydrolyzed proteins &

Amino acids : 5% Min.

Carrier Bentonite

Granules : to make 100%

Total : 100.00%

Specification :

Colour : Black colour granules

Odour : Marine

pH : > 4.00

Bulk density : > 0.80

Caution : Keep out of reach of children.

Storage conditions : Keep in original container tightly closed at safe place. Avoid storing in direct sun light and freezing temperatures.

Please read enclosed leaflet before use.

Features :

*Non toxic

*Eco friendly

*Uniform size of granules

*Can be mixed with different fertilizers

Benefits : *Improves plant processes *Better root and plant growth *Enables nutrient uptake and its assimilation

*Better tolerance to stress conditions *Healthy crop

*Quality produce

Disclaimer : As use of this product is beyond our control, we do not take any responsibility other than uniform quality of the product.
