

Indofil Industries Ltd has extended its support to the Army College of Dental Sciences by providing an ambulance to the institution on Wednesday

# Indofil Donates Ambulance to Army College of Dental Sciences Under CSR Initiative 'Project Khushi'

Secunderabad July focuses on sustainable

16: In a significant boost to local health-care services, Indofil Industries Limited has extended its support to the Army College of Dental Sciences (ACDS) by donating an ambulance, addressing a critical gap in emergency medical response for the institution and surrounding communities.

The contribution was made under Indofil's flagship CSR initiative, Project Khushi, which

and inclusive growth across vital sectors. The provision of an ambulance is expected to greatly enhance ACDS's ability to offer timely and life-saving medical assistance in emergencies. The handover ceremony was attended by Brig. Jose Abraham, Dr. Mamta, Principal of ACDS, and senior Indofil officials including Ms. Jayni Gada (Company Secretary), Mr. Vidyasagar Yellanki

(Divisional Lead South), Mr. B. Gurva Reddy (Telangana State Head), Mr. M. S. Naidu (Regional Sales Manager, Hyderabad), and corporate communications representatives Ms. Taneesha Shetty and Ms. Sneha Nahar.

Speaking at the event, Indofil representatives emphasized the company's foundational pillars—Thinking, Knowledge, and Responsibility—which guide its commitment to meaningful community impact. "We are proud to partner with institutions like ACDS that work tirelessly to improve public health," a spokesperson said.

This initiative reflects Indofil's dedication to empowering communities and strengthening health-care infrastructure, reaffirming its mission of contributing positively to society.

# *Indofil Extends Its Support to ACDS for Their Noble Service in Healthcare*

**Secunderabad, July 16:**

Indofil Industries Limited has extended its support to the Army College of Dental Sciences (ACDS) by providing an ambulance to the institution, addressing a crucial need for emergency medical services in and around the locality. The college previously had no dedicated ambulance, and this initiative will now enable timely medical assistance to patients in emergency situations.

The gesture is part of Indofil's flagship CSR initiative, Project Khushi, which is committed to the upliftment of society through sustainable and inclusive growth. This contribution underscores Indofil's vision of strengthening critical sectors like healthcare and honouring institutions like ACDS that serve tirelessly for the well-being of communities.

The event was graced by the presence of Brig. Jose Abraham and Dr. Mamta, Principal of ACDS, along with senior officials from Indofil: Ms. Jayni Gada, Company Secretary, Mr. Vidyasagar Yellanki, Divisional Lead South, Mr. B Gurva Reddy, Telangana State Head, Mr. M S Naidu,

Regional Sales Manager, Hyderabad, Ms. Taneesha Shetty, Corporate Communications, Ms. Sneha Nahar, Corporate Communications.

Speaking on the occasion, Indofil representatives reiterated that the company stands on three strong pillars - Thinking,

Knowledge, and Responsibility, which drive its commitment to meaningful progress and community development.

Through such initiatives, Indofil reaffirms its mission to empower communities, strengthen healthcare infrastructure, and contribute positively to society.
